FINANCIAL POLICY

In order to establish optimal relations with our patients and avoid misunderstanding and confusion regarding our payment policies, our staff is trained to consistently inform you of the policies of our office.

Payment is required for all services at the time they are rendered. When a minor patient is being treated we will **NOT BILL** the custodial parent for treatment rendered. Payment will be expected from the person accompanying the patient. If payment cannot be made the patient will be rescheduled. For your convenience, we accept cash, checks, debit, Visa, MasterCard, Discover and Care Credit..

Our non-insured patients will receive a 10% discount applied at the time of your appointment when services are rendered.

If your are enrolled in a dental plan or insurance with which we are participating providers we will bill that dental plan for you. For those patients, applicable co-payments, co-insurances and deductibles will be collected **at the time of service**. In the event the dental plan or insurance **DOES NOT** render payment for the dental treatment, **YOU ARE RESPONSIBLE** to pay the balance in **FULL**.

In the case of dual insurance, or multiple insurances, we will make every effort to maximize your benefits. We can only **ESTIMATE** what each will pay. If you require further investigation, we recommend that you contact each one directly. As a provider, we can only assist you with your benefits, **WE MAKE NO GUARANTEE** what your insurance will or will not pay.

We will send you a statement if the dental insurance does not pay the estimated amount. For the services rendered. If payment is made by check and the check is returned insufficient funds, a \$25 fee will be assessed. Should your unpaid account go to collections the patient/guarantor of the account will be charged for all fees incurred, which is approximately 50%.

The financial policy of Desert Dental Associates has been fully explained to me and I acknowledge full responsibility for **ALL** charges incurred, regardless if possible insurance coverage.
